WELCOME TO THE SWANAGE RAILWAY!

- and I am pleased to have this opportunity to contact you to say a little about the 200 Club monthly draws which raises funds for very necessary and useful projects on the Railway. The 200 Club started in 1976 and has raised well over £130,000 for the Railway.

I hope you will wish to sign up for the monthly draws – you can do so at any time in the year. The draws take place in about the third week and the full 12 month period of membership runs from January each year. The cost of membership/a subscription is £1.25 per month = £15 per year, and you can hold any number of subscriptions which are entered into every draw. Please join at any time. A renewal request letter/email is sent every October for members to renew in time for the new year starting in January. You will find joining forms in every magazine issue or the one in this new member pack.

Prizes are higher in Midsummer - £150, £100, £50, £30, £20, and at Christmas - £250, £150, £100, £75, £50, £30: prizes for 10 months are £50, £40, £30, £25, £20. 200 Club members must have current membership of the SRT and be over 16.

Three major projects since 2000 have been a signal box at Swanage and Corfe Castle stations and the footbridge at Corfe Castle. Please join us, you'd be welcome, there's no limit on draw numbers you can hold and the more members we have, the more we can achieve!
